Training provided as needed. Most jobs do not require prior swimming experience. We will be happy to answer questions at registration about the opportunities to help. Some general descriptions are provided below

Ready Bench –Responsible for getting your assigned age group in order and on time to their race. We need three ready bench parents for boys and three for girls for 6 & unders and 7 & 8's, and two ready bench parents for boys and two for girls for all other age groups (28 parents for each meet). Dads are a great help too!

Ready Bench Coordinator – Helps at each meet. Hand out heat sheets to ready bench helpers. Assists age group ready bench helpers to consolidate heats and rework relays if necessary. Coordinate with other teams' ready bench heads to consolidate heats & help keep meet running smoothly. We need two coordinators.

Time Trial Timer – time swimmers during trials and record times. Watches, clipboards, age group lists chairs & training provided (it's very easy). We need at least 12 timers & back ups for each time trial day. Time trial dates; 5/30, 6/11. We can use your help on one or both dates.

Time Trial Coordinator – Distribute & collect watches, clipboards and age group lists. Make sure all times are recorded and timers are ready for the next group. Recruit timers as necessary.

Concessions – Work one hour shifts at the concession stand during our home meets. There are usually 5 shifts per meet.

Place Judge*– Work the meets. Watch the finishes of each race; determine which lane finished with your assigned place. We need three & back ups for every meet. You will be on your feet and need to watch the races closely. **Must attend the official's clinic May 18th.*

Stroke/Turn Judge* – watch each race closely; indicate stroke, turn and finish rule violations. Some background in swimming is very helpful. **Must attend the official's clinic May 18th.*

Score Keeper* – work with other teams' scorekeeper during the meet to keep the meet score. Requires attention to detail and being 'friends' with your calculator. **Must attend the official's clinic May 18th.*

Team Party Coordinator(s) – plan and coordinate the team party scheduled for June 26th.

Team Party Helper – help coordinators with arrangements, shopping etc for party food etc....
