

Wilchester Tennis Courts

We will be moving to an online reservation system effective Monday, August 28th. The system is live now to allow for registrations but the reservation portion is in test mode so any reservations made online prior to this date will not be honored. Please use the sign-up sheets at the court prior to this date.

This system is for residents in good standing only. You will need to be approved before you can start making reservations. To register please visit:

<https://login.reservemycourt.com/register>; once in the site you will need to enter your address & connect to the club. This generates an email to the admin to approve your registration.

Reserve My Court also has an app for your phone or tablet.
